

Dear Parents and Guardians,

We, the staff, and faculty of Saint John the Evangelist School, are happy to welcome you and your child to our Catholic school and to support you in guiding your child through his or her elementary and middle school years. We are focused on the child's development through the elementary years, providing a 21st century educational experience focused on the values and priorities we all share for our children. We create this experience together with you. In enrolling your child in a Catholic school, you agree to certain important responsibilities. These include:

- to be a partner with the school in the education of your child
- to understand and support the Catholic mission and identity of the school
- to read all communications from the school and to request clarification when necessary
- to know who your child's teachers are and to observe parent-teacher conference dates and any special requests for meetings
- to discuss concerns and problems with the person(s) most directly involved with the situation
- to be as actively involved as you can be in the life of the school and to volunteer whenever possible
- to promote our school and to speak well of it to others
- to meet your financial obligations in a timely manner and to support the fundraising efforts of the school when possible
- to appreciate that Catholic education is a privilege that many young people do not have
- to keep the school updated regarding your child's health conditions and to provide current physician's orders and required medications in a timely manner
- to provide the school with any updates regarding a change in family life or living conditions (divorce, change in custody, address, or phone and email contacts)

We believe strong relationships between educators and parents are paramount to the total development of our students and the success of our school; and look forward to developing these relationships in our time together as a school community. Together, we make each person's Catholic school experience one that provides them the foundation of their faith and education.

This year, all schools in the Archdiocese of Baltimore will focus on the passage from Nehemiah, "The joy of the Lord is your strength." As we pray and celebrate liturgy, we will consider how we can fill our hearts with joy as we encounter Jesus through the sacrament, through the priest, and through our school and home families. May we pray that each of us can keep ourselves and one another centered on the amazing joy God gives us everyday, so each can use his and her gifts and talents for the glory of His name.

Blessings and prayers,

Ms. Casey Buckstaff
Principal

By mid-February, the teacher, principal, parents, (and student) review the student's work performance to date and discuss his/her educational needs for the remainder of the year and the possibility of failure and/or retention. This meeting is followed by a written communication to the parents reviewing the content of the meeting, including the educational plan.

children along with the teacher. Parent teacher conferences are scheduled before progress reports are distributed for the first trimester. A teacher or parent may request a conference at any other time during the school year. An appointment can be set by contacting the teacher. Parent conference times must be confirmed by the teacher involved.

Parents may not come to the classroom for a conference with the teacher unless it has been scheduled. This includes before and after school as well as during class as teachers have other responsibilities at these times. Parents of students in grades 3-8 will be able to access their child's progress via the Parent Access component of Power School. For initial access, parents will be provided a temporary user id and password and asked to set up an account at archbalt.powerschool.com/public. The password will not change from year to year.

Evaluation & Assessment

The evaluative process relies on formal and informal assessment. Formal student evaluation is attained primarily through fixed standards of achievement including teacher designed assessments and standardized testing. These tests are used to diagnose the strengths and weaknesses of individual students. Tests, projects, homework, classwork, and creative presentations all are inclusive to student evaluation and assessment. Additionally, online assessments and assignments are used to support learning. Informally, our students are evaluated on the basis of teacher observation and verbal response to observed behavior.

All Archdiocesan schools administer the achievement test designated by the Department of Catholic Schools in prescribed grades. Elementary school students in grades 1-8 are administered the MAP Assessment three times a year to measure growth. Pre-K and Kindergarten students are administered the BRIGANCE developmental screenings. Parents are given feedback as to how their child is scoring at the end of the year.

All students in grades 5, 8, 9 and 12 are given the ACRE (Assessment of Child/Youth Religious Education) the spring of each school year. This assessment gives information for growth to each school as it assesses how well the religious education program is forming Christian disciples. This is a school assessment and no individual student scores are given.

Religious Education

Religion is required for each year a student attends Saint John the Evangelist School. All students enrolled in Saint John the Evangelist School must attend religion classes and services. Schools in the Archdiocese of Baltimore follow the Archdiocesan curriculum for religion. We will always teach and act consistent with the tenets of the Catholic Church.

Teachers, priests, Director of Religious Education, and the principal participate in planning and carrying out the religion curriculum. In addition, the textbooks include the most recent changes to the Roman Missal as promulgated by the U.S. Catholic Conference of Bishops. *The Growing with God: Safe and Sacred* program will focus on child safety and family life program that is solidly grounded through Church teachings and the Catholic faith is included in this curriculum. The program develops a gradual, open and wholesome approach to the understanding of sexuality and its place in Christian life.

Liturgy

The priests, in conjunction with the faculty of St. John the Evangelist provide liturgies for the children at various times during the year. Weekly mass, Holy Days, special school celebrations, Penance services and prayer services are some of the ways we worship together as a community of faith. Parents are invited to attend these liturgies and prayerful celebrations. Students in grades PreK-8 attend mass weekly.

Learning Differences Program

The Learning Differences teachers, in collaboration with the classroom teachers, provide assistance to those children who have been identified as needing specific changes with the curriculum in order to allow them to perform to the best of their abilities. The principal, teachers or parents may recommend the child to be considered for this program.

Student Records

Student records are maintained in the school office or a designated administrative area. Access to records is governed by the records policy.

Records Policy (Family Educational Rights and Privacy Act)

Saint John the Evangelist School complies with the Family Educational Rights and Privacy Act (FERPA), which is a Federal law that protects the privacy of student education records. In general, FERPA gives parents certain rights with respect to education records. (The rights granted to parents under FERPA automatically pass to the student when the student turns 18 or enrolls in college.) These rights and related procedures of Saint John the Evangelist School are as follows:

- Parents have the right to inspect and review the student's education records maintained by the School. Parents should submit to the principal a written request that identifies the record(s) they wish to inspect. The School will make arrangements for access and notify the parent of the time and place where the records may be inspected.
- Parents have the right to request that the School correct records they believe are inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents who wish to request an amendment of the student's records should write to the principal and clearly identify the part of the record they believe is inaccurate or misleading and the information they believe should be included in a corrected record. If the

School decides not to amend the record as requested, the School will notify the parent of the decision and the parent's right to request a hearing.

- Parents generally have the right to consent in writing to disclosures of information from a student's education record. However, there are certain exceptions to the consent requirement, including disclosures under the following conditions:
 - To School officials who have a legitimate educational interest in the information. A school official is a person employed by the School or the Archdiocese as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person or company with whom the School has contracted to provide a service (*e.g.*, attorney); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.  - To accrediting organizations.
 - In order to comply with a judicial order or lawfully issued subpoena.
 - To appropriate officials in cases of health and safety emergencies.

The School also may disclose appropriately designated "directory information" without written consent unless a parent objects in writing. The primary purpose of directory information is to allow the School to include this type of information in certain publications. Examples of such publications include a playbill, showing the student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets.

The School has designated the following as directory information:

The log should contain the name of the person(s), the date, and the legitimate interests the person had in requesting or obtaining the information.

Non-Custodial Parent

Emergency card information for each child is to be kept current. It is the parent's responsibility for keeping that information current. Children will only be released to the person(s) designated on the emergency card, unless otherwise instructed by the custodial parent/guardian.

Non-custodial parents are welcome to review their child's records unless there is a court order or legal agreement prohibiting such access. The school may notify the custodial parent of a request to review records. Saint John does

not allow a non-custodial parent physical access to his/her child during school hours or on school premises unless the custodial parent has consented, or the school has a court order permitting access.

Transfers

If you are moving, notify the office of the new address and the expected last day of attendance. A Release of Records Form must be signed by the parents before school records are forwarded to the new school. Official school records will be mailed directly to the new school as soon as we receive their request. No records will be transferred if financial obligations have not been met.

Emergency Forms

Emergency contact information for each child is to be kept current. It is imperative that parents and guardians return a completed emergency form for each child by the first day of school and update this contact information as any changes occur. Children will only be released to the person(s) designated on the emergency form, unless otherwise instructed in writing by the custodial parent or guardian.

Parents whose phone numbers are unlisted must give the school either the unlisted number or a number where the parent(s) can be reached. It is essential that the school have this information in case of emergency. It will be kept in the strictest confidence. Any change of phone number or home address is to be given to the school office and homeroom teacher in writing within one week after change is effective.

Crisis Intervention Plan

Saint John the Evangelist School has in place a Crisis Intervention Plan and team. Fire and crisis safety drills are conducted on a regular basis during the school year. Crisis safety drills include evacuation, reverse evacuation, lock-down, shelter in place, drop, cover and hold, and other weather drills.

In the event of an emergency, parents and guardians will be notified via the school's alert communication system. It is the responsibility of the parents and guardians to notify the school of any changes in contact information so that parents can be reached. Parents are notified during emergencies via e-mail and the alert system as needed.

Outdoor and Restricted Areas

When school is in session, students may not be outside the school building unless they are involved in class or recess and are accompanied by a staff member. The faculty room and empty classrooms are restricted areas. Corridors are to be generally clear of traffic except for movement at the change of class. Students dismissed at the end of the day are not allowed to travel to areas on school campus during dismissal times unless authorized by school staff.

Discipline

Code of Conduct & Discipline Policy

Saint John the Evangelist School strives to develop responsible, courteous, self-disciplined students whose pride in themselves, their parents, their school, and their community is reflected in their behavior. The development of such young people requires a consistent practice of thoughtful, responsible behavior during these formative years. Students are made aware that they are an integral part of the faith community and that their actions affect themselves as well as the entire community. The ultimate purpose is to develop true Christian character and a sense of responsibility; to establish an atmosphere conducive to academic excellence; and to protect the welfare of the individual, as well as the school community.

Students may be disciplined for conduct that occurs on school premises, or at school-sponsored events, or for other conduct that adversely affects the interests or reputation of the school regardless of where the conduct occurs.

PBIS

The Archdiocese of Baltimore asks that each school implement a PBIS (Positive Behavior Interventions and Supports). PBIS is a comprehensive framework in which schools focus on Christ-centered teachings and values to create nurturing, safe, positive, and supportive learning environments. Consistent school-wide expectations are visible throughout the school and students' positive behavior is acknowledged and celebrated.

At St. John the Evangelist, our PBIS program is named the "SOAR Program". The SOAR program is school-wide and designed to improve the overall academic and behavioral environment of the school. The success of all students is based on the 3Rs, "Respect, Responsibility and Role Modeling, with the Eagle as our mascot based on the

scripture verse from Isaiah 40:31, “They that hope in the Lord will renew their strength, they will soar on eagles’ wings.” The purpose of the program is to promote positive success with Christian values within the school environment and to reward students who do well both academically and behaviorally.

As part of the program, when students demonstrate the target behaviors, they will be recognized. All students have the opportunity to participate in a school-wide reward for their effort. The reward is given at the end of the school year. Parents/Guardians encourage their children to engage in positive behaviors and aim for success.

Classroom Behavior

The following are the standard classroom procedures. Teachers may have other classroom rules. Students are bound by both the following rules and by the teacher’s rules.

- Students are to be in their seats when class begins. They are not to leave their places in the classroom without explicit permission.
- Each student is to have all the necessary materials for class when class begins.
- Students are to be attentive to the teachers and to participate actively in all class activities assigned by the teachers. They are not to do work for another class or read other-than-class materials, unless given explicit permission to do so by the teacher. Materials for another class or for non-class activities should not be on the student’s desk.
- During morning and afternoon prayer and at any time when there are announcements over the PA system, students should stop what they are doing and sit silently to listen and participate when appropriate.
- Each student is to refrain from talking without permission and from talking to others while instruction is going on, study periods or tests are underway.
- Students are to avoid any action that is distracting to the learning procedure underway in the classroom, especially harassing other students.
- Students are responsible for the cleanliness around their chairs, in their desks, at their lunch tables, etc. Students should dispose of any trash around their desks at the end of the day.
- Students should approach teachers outside of direct instruction time regarding tests, grades, or consequences given during class.
- The location of desks, the condition of windows, blinds, and lights, etc., are the teacher’s responsibility; students are not to regulate these unless directed to do so by the teacher.
- Students should always enter and leave a classroom quietly. They should move quietly in the halls.
- Outside of morning snack eating or drinking must take place in the cafeteria with the exception of water bottles.
- Chewing gum is prohibited in school at all times.

Recess Behavior

So that all students may participate in a safe and enjoyable recess every student must abide by the following rules:

- walk to your designated area
- stay in your designated area
- never go into the roadway for any reason
- never throw any object excluding a ball
- no aggressive play
- use only assigned equipment and take proper care of it
- children assigned to equipment return it to its proper place and report to your teacher when equipment is damaged or missing
- no snacks are allowed outside during lunch recess
- stay away from parked cars and moving vehicles

Report immediately to teacher on duty:

- any injuries
- any persons who do not belong on school grounds
- any glass, rocks or any obstacle that may cause injury
- any aggressive play

Note: When inclement weather prevents children from outdoor recess, students are permitted to play games or enjoy quiet activities in the classroom, or at times, in the PAC. Parents may donate games, books, etc., to the classroom for this purpose.

Student Responsibility

All students at Saint John the Evangelist School are expected to

- show respect for administration, teachers, staff, students and school facility.
- obey rules, regulations, and procedures established by school and administration.
- obey rules, regulations, and procedures established by each teacher.

- complete projects and homework assignments daily.
- participate appropriately and fully at prayer, liturgies, field trips, civic activities and school assemblies.
- practice courtesy and good manners at all times.

Disciplinary Code

The progressive categories of disciplinary action are:

- Reprimand
- Detention
- Suspension
- Expulsion

Behavior

To maintain a positive learning environment and standards that are consistent with our Christian philosophy, it is essential that students exhibit a sense of responsibility and respect for themselves and others. Listed below are some behaviors that are unacceptable:

- Disrespect in manner and/or language
- Rowdiness
- Using the property of others without permission
- Dishonesty
- Cheating
- Disruptive Behavior
- Failure to have necessary supplies for class work
- Dangerous Play
- Rudeness
- Vulgarity
- Dress code violations
- Gum Chewing
- Harassment of any kind by word or manner
- Possession or consumption of any drug or look-alike drug while at school or while attending a school function
- Possession or consumption of alcohol while at school or while attending a school function
- Possession of knives/weapons or look-alike knives/weapons
- Possession of pornographic material(s)
- Smoking/using matches/vaping/gummies
- Willful destruction of school property
- Leaving school property without permission
- Theft or extortion
- Fighting or threats of violence
- Harassment

When it comes to social media, whether posted during school hours, and on school property, or while occurring outside of the school property, if it creates a substantial disruption, the school can take action to support the school environment.

Detention, Suspension & Expulsion

After school detentions will be held on Tuesday of each week from 3:15-4:00 p.m. for students in grades 3-8.

Children in grades Pre-K to 2 may be sent to the office for a lunch detention. When a student is given a detention, a notice is sent home to the parent(s) or guardian(s) stating the reason, the date and time the detention will be served.

The parent signs the notice and returns it to school the following day. Parent signature indicates parent has been

notified. No exceptions will be made after a detention is issued unless consultation with the principal or assistant principal occurs. In the event of cancellation of detention, the parent or guardian will be notified. The parent or guardian is responsible for the transportation of the child on the day the detention will be served. Once assigned to detention a student will not be excused without a written note of explanation from the parent. Excuses such as extra-curricular activities will not be considered.

Generally, the teacher will deal with infractions. Should circumstances warrant, the parent and/or the Administration involved will be consulted. In cases of serious or repeated violations, students may be subject to disciplinary suspension or expulsion. The school's fair procedure to be used in cases of possible suspension or expulsion is as follows:

While on suspension, the student is still responsible for missed work. After the specified amount of time for suspension, which shall not exceed three consecutive school days, the student and the parent(s)/guardian(s) will meet with the Administration for reinstatement. The Administration reserves the right to determine the conditions for reinstatement.

An expelled student forfeits all privileges of the St. John the Evangelist School student. The Administrator reserves the right not to re-admit an expelled student at a later date. If a student is to be expelled, the student is entitled to a prompt review procedure established by the Department of Catholic Schools. A written request for review must be submitted to the Superintendent of Catholic Schools within 10 working days of the notice of intent to expel. In some cases, parents are given the option to withdraw the student in lieu of expulsion.

The school reserves the right to deny attendance to anyone whose behavior is contrary to the teachings and ideals of the school or whose behavior or attitude is disruptive to the functioning of the student body.

Other Disciplinary Actions

If necessary, other appropriate consequences will be given if students fail to meet required expectations for behavior and/or academics. These consequences may include, but are not limited to:

- time out
- lunchtime detention
- loss of reward
- loss of field trip privilege (student must still attend school)
- consequences set by each teacher
- consequences set by administrator

Search and Seizure

St. John the Evangelist School reserves the right to search school property (e.g., lockers, desks), a student's belongings, and areas under the student's control in order to enforce school policies, rules and regulations or otherwise to preserve a safe and orderly learning environment.

Conflict Situations

Conflicts are a normal and healthy part of living and growing. The Administration will implement acceptable conflict resolution techniques to work toward a solution.

Support, Partnership, and Compliance by Families

In cases of disregard of the direction of staff members, threats, or threatening behavior, serious or repeated noncompliance with school policies or procedures, or other demonstrated lack of support or cooperation, whether by parent, child or other family member, the administration reserves the right to withdraw child/children from the school. Depending on the severity of the breach of partnership with the school, parent or other family member may be prohibited from entering the campus.

Traffic

These instructions are very important to read and follow carefully to ensure safety, minimizing the chance of injury for all. We also want traffic to move smoothly for the benefit of all.

Morning

All cars are to enter by the Cypress Creek Road Entrance only (not off Ritchie Highway) from 7:40 a.m. until 8:10 a.m. All cars continue from the entrance following the traffic pattern to circle around the parking lot to the service road that runs in front of the school building. Students are to be dropped off in the Drop-Off Zone along the Service Road. The Drop-Off Zone begins at the entrance to the PAC, extends along the Service Road, and ends in front of the church. This includes the sidewalk area with the three brick, raised flower boxes in front of the church. All children must exit from the passenger side of the car. They are never to exit from the driver side.

If you have a child in Pre-K or Kindergarten, please hang the issued card to indicate to the safety or adult in order to receive help. Please follow the instructions of the assigned staff and volunteers who help during drop-off. When waiting in line to drop off a child within the Drop-Off Zone, please be considerate of other parents waiting in line and discharge your passengers.

Dos	DON'Ts
<ul style="list-style-type: none"> • DO enter from Cypress Creek. • DO be considerate of each other and alternate vehicles as you merge when you approach the Drop-Off Zone. • DO form two parallel lines stretching across the back of the parking lot if traffic backs up into the parking lot. This will help minimize the traffic from backing up onto Cypress Creek Road. • DO form single line in front of church while in your car and proceed to end of school driveway to drop off children. 	<ul style="list-style-type: none"> • DON'T let children out on the driver's side of the car. • DON'T pass other cars waiting to drop off children. • DON'T stop traffic and let children off until you have reached the designated point directed by staff or safety person. • DON'T drop off students in the parking lot or walk your children into school. • DON'T exit on driver's side

If a student has left an item in your vehicle and you need to return to the building once your student has exited the car, it is requested that you park in the parking lot and walk to the crosswalk at the main entrance of the building. A staff member will meet you in the cross walk to take the item from you and deliver to your student. We request that you do not get back into the car line to deliver items.

Half-day Preschool

Dismissal for half-day preschool is at 12:15 p.m. Parents picking up half-day preschool students should park in the main parking lot. Parents should pick up their preschool students from the preschool teacher by reporting to the main entrance by 12:15 p.m.

Afternoon Dismissal

In order to accommodate a large number of students, all Pre-K and Kindergarten students will be walked to the front of the building for dismissal at 3:05 p.m. All grade 1-8 students will be dismissed following prayers at 3:10 p.m.

Once Pre-K to grade 8 children start to dismiss at 3:10 p.m., no car may move on the parking lot until directed to do so by a member of the administration or staff.

All cars are to enter by Cypress Creek Road entrance only. Cars should be parked in spaces in the parking lot. Insist that the student come directly to the car. Do not let the students stand outside the car waiting for you. This causes other drivers to wait. Once the signal is given, cars will be instructed to begin moving from the parking area. Do not back up at any time while in the parking lot unless directed to do so. If you know your carpool students will be late coming out of school, please park down toward the Church. When there is moving traffic in the parking lot, it is very dangerous to have the children playing on the parking lot. We ask your cooperation in this matter for the safety of all our children.

At dismissal, when the hand bell rings for the first time, all students and parents should go to their vehicles and prepare to be directed to exit the lot. Any students who do not yet have a vehicle present to pick them up, or do not see their vehicle in the parking lot, should remain at the school canopy area. These students should not cross the service road to the parking lot side until after cars have exited the lot and the hand bell rings a 2nd time.

Crossing Guards

Crossing guards will be on duty at Ritchie Highway from 7:40 a.m. to 8:10 a.m. in the morning and from 3:05 p.m. to 3:15 p.m. in the afternoon. Please obey the crossing guards. Students may never cross without the guard.

Walkers/Car Riders

It is designated at the beginning of the year whether your child is a walker or a car rider via completion of a permission form. No change may be made in this procedure without written permission from a parent. Phone calls will not be an acceptable substitute. Children who walk must maintain orderly conduct in school, on the street, and at crossings. If a student cannot maintain proper behavior expectations, follow all directions from all adults, and obey safety procedures, then the privilege of walking afterschool will be denied for the student. Students are not allowed to be picked up on Cypress Creek Road, including Gary's Garden Shop.

Attendance

The school day begins at 8:10 a.m. and dismissal begins at 3:10 p.m. Children may arrive no earlier than 7:40 a.m. unless registered for the Before and After School Care Program. On regularly scheduled half-days the school admits students at 7:40 a.m. Supervision is provided until 12:30 p.m. The school is not responsible for supervision of students before or after the times stated above, and the school is not liable for any injuries or accidents which may occur. This is required by insurance coverage and is done for the safety of the children. Parents are advised, therefore, to follow the times as stated above. Parents will drop off students using the traffic pattern established and explained in this handbook. Parents may not leave students unattended on school grounds. No supervision is provided for students prior to 7:40 a.m. Morning Care is available from the school for families that need to drop off students earlier due to work schedules. Families who drop off students before 7:40 a.m. will be charged the a la carte morning care fee. In the afternoon, students who are not picked up by 3:20 p.m. will be sent to our Extended Care Program and will be charged the daily a la carte aftercare fee. The office or website can provide parents with the proper registration materials for this program. If students are participating in a scheduled supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If students are participating in before or after school day care programs, parents must comply with the rules established by the program for dropping off and picking up children.

Absence, Early Departure & Late Arrivals

Regular attendance is considered essential for learning at St. John the Evangelist School. Students need to develop the work habits and responsibilities required of all of us as we go through life. When a student is absent from school, a parent/legal guardian must telephone the school by 8:20 a.m. to report the reason for absence. All absences and tardiness become part of a student's permanent record. If a child misses more than 3 hours of instruction, he or she will be marked for ½ day of attendance. Students leaving prior to 3:10 p.m. will be marked as leaving early.

Absence from school during the academic year due to family vacations is strongly discouraged. Missed work and assignments may only be obtained upon return.

There are regularly scheduled vacations and holidays in the school calendar, which is based on mandated instructional days by the State of Maryland and the Archdiocese of Baltimore. Please check these ahead of time when scheduling trips or doctor's appointments. Permission may not be given by any teachers or administrator for students to be absent

for extra vacations or holidays. These decisions are the responsibility of the parents. Prolonged unauthorized absences can and does affect students' grades and academic standing. The school cannot be responsible for the consequences of these absences. Personal instruction delivered by the teacher cannot be replicated. In case of a scheduled absence such as a family vacation, teachers are not required to provide work prior to an absence. Missed work and assignments may only be obtained upon return and provided that missed work assignments may not be available for all absences, as they are dependent upon the nature of the work. Teachers are not responsible for creating alternative assignments or experiences for absent students.

Students who are absent from school may not participate in any after school or evening school sponsored events such as sports, dances, etc.

When he/she returns to school, the student must bring a written note to the teacher signed by a parent/legal guardian stating the reason for absence. The school reserves the right to require a doctor's note for absences due to illness or injury or need for assessment/evaluation. A child may not return to school until he/she is well enough to participate in all school activities.

If a student will be out of school for an extended period, whether continuous or intermittent, parents should consult with the administration regarding appropriate support of the student in fulfilling the school curriculum or alternative arrangements such as home and hospital services through the local public school district.

Per the Archdiocese of Baltimore, a student marked absent for more than 20 instructional days in one school year is considered excessively absent and may result in the student being retained. The administration reserves the right to request a conference with parents of student with excessive absences and tardies at any point during the school year in order to make parents and students aware of the possible consequences of not attending school on a consistent basis.

Parents are asked not to take children out of school for appointments, etc. In cases where this is a necessity, the parent must send a note to the teacher indicating pick-up time. The parent must come to the school office to sign-out and pick-up the child. Under no circumstance will a child be permitted to leave otherwise. Many families have unique arrangements for the custody and guardianship of their children. Unless there is legal notification given to the school office, it is assumed that both parents are permitted to pick children up and to have access to school related information. Parents must keep updated documentation of custodial agreements on file with the school.

Students who are in school for special functions (e.g., Race for Education, May Fair, Junior Olympics, field trips) may not leave early unless parents send a note to the office by 8:10 a.m. on the day of the event.

If a child is absent due to illness for more than a few days, several steps should be taken to ensure that the child's reentry into the classroom is smooth and that missed instruction can be made up in a minimal amount of time. Parents are asked to contact the child's teacher(s) upon his or her return to obtain missed assignments and develop a plan to make up missed instruction within a 3-day period. Students receive an excused absence for illness or attendance at a funeral of an immediate family member. A note explaining this absence is required.

Parents are required to follow the times stipulated when dropping off or picking up students. The school is not responsible for supervision of students before or after the times stated above. The school is not liable for any injuries or accidents which may occur before or after the times stated above. If the student is participating in a scheduled, supervised activity before or after the hours noted above, specific arrangements must be made for drop-off and/or pick-up at the designated times. If children are participating in before or after school care, parents must comply with the rules established by the program for drop-off and pick-up.

8th Grade High School Visits

Eighth grade students who are visiting high schools for shadow days are allowed 2 excused days. These are recorded as excused absences as long as parents email/forward confirmation of the high school shadow appointment indicating their attendance at the high school on that day. The shadow days are part of the application and decision process that should be part of the child's 8th grade year. The school discourages students in younger grades from missing instructional time for visits prior to their 8th grade year.

Lateness

Children who arrive late to school report to the office before reporting to class. Students will not be admitted to class without a late slip. Students are considered late if they arrive after the 8:10 a.m. bell. Continued lateness will require a conference with administration. Tardiness is entered on a student's permanent record. It is the responsibility of the student to check with the homeroom teacher to receive the necessary communication or work that may have been missed due to lateness.

Truancy

Truancy is defined as a student removing him/herself from school without parent/legal guardian permission or leaving school grounds without permission during the school day. Truancy may result in disciplinary action up to and including suspension or expulsion.

Health & Safety**AHERA**

In October 1986, the U.S. Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). Under this law, comprehensive regulations were developed to address asbestos problems in public and private elementary and secondary schools. These regulations require most schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings and implement response actions in a timely manner. Our program for fulfilling these responsibilities is outlined in our asbestos management plan. This plan contains information on our inspections, re-inspections, response actions and post-response action activities, including periodic surveillance activities that are planned or are in progress. The plan is kept in the principal's office and may be viewed upon request during normal business hours.

Maryland Immunization Requirements

A child may not enter school unless he/she has submitted an official immunization record or other appropriate documentation of immunization status. The immunization record must have the month, day and year of each vaccination be signed by a physician or health department official and be approved by the school. In the case of religious objection or medical contraindication, form DHMH 896 must be submitted and kept on file. Exempted students are to be excluded from school if there is an outbreak of the disease for which they are not immunized.

Health Room

The school's Health Room is not a diagnostic clinic with facilities for prolonged treatment but rather to be used for the immediate and temporary care of injuries or illnesses occurring during the school day. If a child cannot return to class within a half hour, a parent will be called. A registered nurse is in the Health Room during school hours five days a week. The nurse will administer first aid to injured students and isolate ill students until they can be taken home by a parent or guardian. The nurse must be informed if a child has any special health problems. It is very important that all emergency information be accurate and up-to-date. Parents/guardians are responsible for notifying the nurse of any emergency information changes.

Dispensing of Medication

The administration of medication in school is discouraged. However, if a student's physician recommends that the student receive prescription or over-the-counter medication during the school day, a written order from the physician is required. Medication can only be dispensed with a written order from the student's physician, specifying start and stop date. The original medication container or box for inhalers must be brought to the school. These containers or boxes should include the following: name of medication, directions for use, time for dispensing, name of doctor ordering the medication, date of prescription, expiration date as stated by the pharmacist, strength of medication/dosage, and student's name and grade.

Students may not possess, dispense or distribute medication on their own. Under special circumstances, individual students may be authorized by their physician to carry and self-administer emergency medications. (e.g. inhalers, epi-pens) In this case, the school nurse must be consulted. All medication must be delivered to school by a parent/guardian.

Stock EpiPen Policy

St. John the Evangelist has adopted a policy allowing the availability of stock epinephrine in the health suite for use in the event of an anaphylactic emergency. This epinephrine is for emergency use during normal school days and is not dependent on allergy history. It is not available outside of normal school hours or on field trips. Students

with a known history of severe allergies are still expected to maintain emergency action plans, medical orders, and their own supply of emergency medication.

There are written policies and procedures that are followed in the event that we have to use the stock EpiPen. Those policies are available in the nurse's office if anyone wishes to read them. If you have any questions or concerns, please do not hesitate to call 410-647-9659.

Other Health Related Issues

Upon entering Saint John the Evangelist School, students must have a complete physical, a dental examination and the required immunizations. Children who are ill enough to be kept in during recess periods should be kept at home until they can follow the regular school schedule. The school does not have adequate personnel for individual supervision. Parents should not send a child to school that has had a fever of 100 degrees or more or had vomiting or diarrhea within 24 hours. Since there is no indoor monitor, a student must be well enough to fully participate in outdoor play. A doctor's written and signed request is needed for a student to be excused from physical education classes.

Communicable Diseases

Parents must call the school if their child is diagnosed with a communicable disease. The school must notify their county Health Department. All reports are confidential. Reportable diseases include the following:

Measles – regular or German (Rubella)	Tuberculosis	Hepatitis
Meningitis	Pediculosis (head lice)	Food Poisoning
Whooping Cough (Pertussis)	Rocky Mountain Spotted Fever	Human Immune Deficiency
Covid 19 or any variants	Chicken Pox (Varicella)	Lyme disease
Virus Infection (AIDS/and all other symptomatic infections)	Adverse reactions to Pertussis Vaccine	
Influenza	Animal bites/Rabies	
Mumps		

Any student with drainage from the eyes, associated with conjunctivitis (pink eye) must be kept at home until under treatment from a doctor. A doctor's note will be required for readmission to school. Students who have chicken pox are excluded from school until all lesions are scabbed over. Students are excluded from school for head lice. A child may return to school when he/she is free of lice and nits. A child must be examined by school personnel before he/she can return to class.

Federal Drug-Free Workplace Act's Applicability to Cannabis Use in Schools

There have been significant legislative changes at the state level around the use of cannabis in recent years. This year, the Maryland General Assembly enacted legislation that will allow individuals 21 and older to purchase cannabis products legally from a licensed dispensary, beginning on July 1, 2023. However, it is important to keep in mind that, despite these changes, cannabis continues to be classified as a Schedule 1 controlled substance under federal law, and its use remains illegal under federal law.

The policies and regulations set forth by the Federal Drug-Free Workplace Act apply directly to the use of cannabis in schools, including childcare facilities located in schools, even if such use might be permitted under State law. All employees, contractors, volunteers, and visitors are required to comply with this law and may not distribute, possess, use, or be under the influence of cannabis while in schools or during working hours, including but not limited to while transporting students or attending school-sponsored activities.

Health Records

Parents are required to complete a Health Form listing any allergies, serious medical conditions, medications, and emergency contact information. The school must be notified of changes that occur during the school year.

Head Injury

If any injury to the head or any other serious injury occurs to a student, the nurse will call the parent and send home a report. The report is to be signed by the parent/guardian and returned to school. If the parent/guardian or alternative contact person cannot be reached in an emergency, the school will contact police/ambulance for assistance.

Insurance

The Office of Risk Management, on behalf of the Archdiocese of Baltimore, offers a voluntary student accident plan for school families to purchase. This coverage is an inexpensive way for families to cover co-pays, high deductibles, and may even provide accident coverage in the event that no other health coverage is available. If a family declines this coverage, please be aware that any injuries sustained while at school or during school activities may not be covered by an Archdiocesan insurance policy. For more details regarding purchasing student accident insurance please visit www.archbalt.org/risk.

Allergies

Parents must notify the school of their child's allergies including food allergies. School medication orders must be renewed each year by the physician and the order must be signed on or after July 1. If the student carries an EPIPEN with them, the physician's order must state this requirement.

Bloodborne Pathogens

A complete Bloodborne Pathogens Standard Exposure Control Plan has been established by the school and can be found in each Faculty Handbook and on file in the Office.

Vision/Hearing Screening

The school follows the directives of the Anne Arundel County Health Department and responds to parents' requests for individual testing. This testing is usually done for:

- 1.) All new students who have not provided documentation for screening in the past year;
- 2.) All students the year they enter the school in Grades PreK, kindergarten, 1, and 8
- 3.) Grade 3 or Grade 4 if funding is available;
- 4.) Any student with a suspected hearing or vision problem as reported by school staff or parents/guardians.

Child Abuse and Neglect Reporting Policy and Procedures

Maryland law requires that all educators and other school employees, including volunteers, report suspected child abuse or neglect to the proper authorities in order that children may be protected from harm and the family may be helped. Our school policy supports Maryland laws in this regard and requires that all school staff report suspected abuse and neglect to the Department of Social Services, Protective Services Division, and/or the local police department as well as to the principal.

Visitors

All members of the school community share a concern for child safety. In order to ensure a safe environment for your child, all doors to the school will remain locked and closed during the school day. All visitors must report to the office and receive an identification badge before visiting other parts of the school building. Parents and visitors wishing to gain access to areas of the school beyond the main office will be asked to show their drivers' license. The license is scanned, and a visitor's badge is printed that must be worn by the parent or visitor in the building. Visitors without this badge will be asked to return to the main office area and complete this process.

No teacher or student may be disturbed during school time except in the case of emergency or scheduled appointment. This regulation is to safeguard the security of our school and respect the instructional environment.

Volunteers

All volunteers in any capacity must abide by the Archdiocese of Baltimore Policy for the Protection of Children and Youth. These policies require that every volunteer submit an application, participate in training, abide by the Code of Conduct for Church Personnel, and undergo a criminal history screening prior to any volunteer service, including service as a chaperone.

VIRTUS for the Protection of Children and Youth

The Archdiocese of Baltimore and St. John the Evangelist Parish are committed to providing a safe environment for our children and youth.

We will...

- work to produce a healthy and nurturing environment for our children and youth.
- strive to make our Church and School a safe environment for them.

- exclude from ministry, employment, and volunteer service anyone against whom there is a credible allegation of child abuse.
- ensure that victims are offered quality pastoral care and counseling.
- affirm the efforts of people who provide appropriate and loving outreach to the children and youth of the Archdiocese of Baltimore.

All volunteers and employees MUST register through VIRTUS online, our compliance management system, to be screened, trained, and approved for the protection of our children. <http://www.virtusonline.org/virtus/index.cfm>

NOTE: If a volunteer or employee applicant fails or refuses to complete any part of the screening steps, then he/she cannot serve as a volunteer with our students at St. John the Evangelist Catholic School. This includes ...

- working in the classroom in any capacity,
- serving as a chaperone on a field trip,
- leading as a coach, assistant coach, or a team parent for any of our athletic teams, and
- any fundraiser whereby you will be interacting with children.

Training or screening offered by any other organizations such as Boy Scouts of America, Girl Scouts, Little League, area public schools, area athletic organizations, other dioceses, or federal agencies may not be substituted for this Archdiocesan Children and Youth Protection training. If you were already approved to volunteer in the Archdiocese of Baltimore through STAND, Shield the Vulnerable, or VIRTUS, in the past five years, you may confirm your status through the Screening Coordinator. Also, please contact the Screening Coordinator with any questions about VIRTUS at shield@stjohnsp.org.

Emergency Response and Safety Drills

St. John the Evangelist School, as required by the State of Maryland, maintains a Crisis Management and Emergency Response Plan. Planning for the need to respond to an emergency situation or event on our campus is practiced/conducted with frequency and involves all members of our school community including administration, teachers, staff, and students. St. John the Evangelist conducts several drills throughout the school year including those required as listed below:

Fire Drill/Evacuation
Lockdown of the building
Evacuation due to an Intruder
Shelter in Place

Emergency Dismissals
Tornado Drills
Earthquake Drills
Power Outage

Student Services

IEP Referral Process

If a child is not progressing academically, the school may ask the parents/guardians to initiate, or the parents/guardians may initiate on their own the process to request a professional consultation and/or evaluation through the local public school system. The evaluative process is generally called the IEP Process (Individual Educational Plan) and begins when a parent/guardian calls 'Child Find'. Following the initial phone call to the Local Educational Agency (LEA) Child Find, parents/guardians are given an initial meeting date within 30 days. At this initial meeting, parents/guardians and school faculty are invited to share their concerns, present information, and discuss whether an evaluation will take place. Catholic school staff, in particular the student's teacher, are a vital part of the process.

If an evaluation is deemed warranted and takes place, recommendations and an academic plan are developed and given to the parents/guardians at the summative meeting following the academic evaluation.

If such a plan is developed and the test results determine that there is a need for accommodations and/or modifications within a student's learning environment, the school administrator will consult with the parents/guardians to determine what accommodations, resources, plans, and school placements may be implemented. When appropriate, a Student Accommodation Plan is developed at your child's Catholic School.

Cafeteria

All children are supervised during lunch in the cafeteria and recess out in the yard. Students are expected to remain with their class during lunch and recess to insure proper supervision. A hot lunch is served daily. A menu is

distributed on a monthly basis. Milk and a variety of other beverages are available for purchase daily. Bread and rolls for meals served daily have whole grain options. Please do not bring in food from other vendors for the children during school hours. This includes students carrying in breakfast or drinks upon arrival. Parent volunteers who are VIRTUS trained are welcome and appreciated to help out with lunch supervision and recess. Please sign up using the Sign Up Genius website created by the homeroom teacher or sign up with the homeroom teacher.

Field Trips

Field trips are considered an integral part of the school's educational program and a valuable learning experience for students. Field trips are scheduled at various times during the school year. In advance of the trip, a permission form, required by the Archdiocesan Department of Catholic Schools, is sent home. A student will be permitted to attend the trip only if the permission form is signed by the parent/guardian and returned to the teacher by the specified date along with any fee.

The teacher must be notified if a child will not participate in the field trip experience. Students who are kept home from the trip will be marked absent. Parent(s)/Guardian(s) are encouraged to participate as chaperones on field trips as the need arises. However, because of safety and liability factors, pre-school siblings and other school-age sibling are not allowed. We do not permit parents not selected as chaperones to join the group at the trip destination, as this creates confusion.

All chaperones must be VIRTUS certified prior to participating in any field trip or volunteer service. Please follow the directions on the website: <http://www.virtusonline.org/virtus/index.cfm>

Telephone Calls

Students will be called to the office to answer a phone call only in the case of an emergency. Students are not allowed to make or receive phone calls on their individual cell phones. Students are allowed to use the telephone at school only in the case of an emergency. Forgotten homework or materials does not constitute an emergency.

Cell Phones & Electronic Devices

Cellular telephones may not be used during school hours, upon arrival in the morning, Before and After Care, school functions, or in the school building. Homeroom teachers in all grades will collect all cell phones first thing in the morning. Students may not have cell phones on their person or in their bags at all during the school day. The phones will be secured in the classroom by the homeroom teachers during the school day and distributed to the students as they leave the building at dismissal. If a student has a cell phone out for any reason during the day, it will be confiscated and given to an administrator by the teacher who took it from the student's possession. The student will receive a Conduct Referral and the cell phone back at the end of the day. If a second offense occurs, the student will be given a detention and his or her phone will be given to the parent or guardian at 4:00 p.m. on the day the detention is served.

Personal electronic devices such are not allowed on campus. Students are provided iPads for educational use during the school day. Text messages and other forms of social media from student-to-student may not be sent or received during the school day. A parent must call to set up an appointment to retrieve a device at the convenience of an administrator and parent. School Wi-Fi will not be provided to students. Their school issued device will have access to internet service. If a phone is brought to school, it is the complete responsibility of the student and the school is not responsible for loss or damage under any circumstances.

Any Smart Watches must have applications, sounds, haptics, and communication abilities disabled during school hours. If students are found to be using these devices for functions other than time-keeping during the day, or if they disrupt a class in any way, they will be taken from the student by the teacher and given to an administrator. The consequences will reflect that of the cell phone policy.

Personal Possessions

Students may not bring personal items for play or recess (e.g. iPads, electronic games, etc.) from home due to the high cost of the goods and the distraction that can be caused to the learning environment. The school and its agents are not responsible for students' personal possessions.

Lost & Found - Please label all student clothing and possessions.

Lost and Found is located in the cabinet next to the Welcome Desk. Unclaimed items will be donated periodically to charitable organizations or to the used uniform store.

General Rules for Dress Down Days

On occasion, there may be out of uniform days scheduled.

Dress down days are a privilege and done as a celebration of our school, or a special occasion. When dressing down for these days, all clothes must conform to the following principles:

- Appropriate for the occasion
- Neat and clean
- Modest

Clothing may not contain terms, logos, pictures, cartoons, slogans, writing, or images that are offensive, political, harassing, or discriminatory in nature. Students may not wear clothes that are torn, or midriff bearing, tank tops (with straps no smaller than 2 inches), short shorts (must be worn at least two inches past the fingertips), low cut pants or tops, suggestive printing, patches or pictures on clothes that do not fall into the above categories will not be acceptable casual wear for school events. Girls may wear leggings with a top that extends to their fingertips. The school reserves the right to make a judgment regarding the choice of clothing and a student may be deprived of participation in a school event until he/she has complied with the above expectations. If there are questions, please contact the teacher.

School Information

To facilitate the cooperation needed between the home and school, the following additional school information may be helpful in answering questions and supporting the work of all members of the community.

- If your child comes home upset about a school situation, we ask you to listen openly to the child. We would caution you not to offer an opinion until you have contacted the teacher involved in the situation.
- If you disagree with a teacher's action, please express your disagreement and concern directly to the teacher. Your cooperation and support are necessary for an effective discipline and guidance program. It is very possible that a misguided statement can undermine our program, but more importantly it places the child in opposition to the teacher and may result in defiance and disrespect.
- Your interest in your child reinforces his/her interest in school. If you feel your child is not working to potential, contact the homeroom teacher in order to arrive at a mutually agreed upon program. The most effective means of assisting your child's scholastic growth can be checking homework, reviewing for test, inquiring about projects, test results, school activities, etc.
- Responsibility, like respect, is something our children learn from us. If we exemplify responsibility, our children will practice it, too. We are not always able to communicate personally. Therefore, we ask you to read each communication and respond promptly if necessary.
- The Faculty Room is only for the use of teachers and staff unless arrangements have been made with the principal in advance.

Parent/Teacher Partnership (PTP)

All parents of the students become members of the Parent/Teacher Partnership at the time of registration. This organization is essential for the financial support of the school. It also provides opportunities for parents to assist the school in a variety of capacities. General meetings are held periodically throughout the school year. PTP officers are listed below for reference and on the school website. Please do not request class parents or PTP representatives to relay complaints and grievances.

Megan Rupinski, President
 Maria Yeager, Vice President
 Brittany Moran, Treasurer
 Kelly Protch, Secretary

Class Parents

The class parents assume responsibility to make contacts throughout the year with parents for various events and to arrange with teachers for holiday treats.

Chaperones

Chaperones assume responsibility for the group assigned to him/her; chaperone does not permit children to switch groups without consent of teacher. The chaperone does not permit children to go anywhere alone, even to the bathroom, makes arrangements with other chaperones to provide for needs of children, and establishes check points and check-in times during the day to be sure all are safe and accounted for if students are permitted flexibility. All chaperones must complete the VIRTUS training before taking on the responsibility of chaperone.

Visiting Classrooms for Events

Parents are invited to visit their children's classroom at stated times throughout the year. Since these are regular school days, we ask you to follow certain procedures. Do not bring younger children with you unless invited. Cell phones must be silenced while visiting classrooms. In a departmental situation such as middle school, please move with the children. In self-contained units, please stagger your time so classes do not become over-crowded.

At times during the year, our parents may be invited to come to school for classroom events (Author's Tea, class plays, etc.). Due to space, other students within the building may not be allowed to attend. Teachers will provide expectations for this in their communication related to individual events so there is not confusion on the day of the event.

Communication to Parents

On Wednesday at 4 p.m. all parents and guardians will receive the school's Weekly Update with announcements and information. Daily classroom and school information can be found on the school Weebly Site. Teachers may also send information and communicate through email.

In the best interest of students, the school welcomes and encourages communication between parents and teachers. Whenever a situation occurs that accuses concern, the concern should be addressed first at the level at which the situation arose. Teachers are seen by appointment. Please contact them directly by email or phone to schedule a mutually convenient time to meet.

Parent-Teacher Conferences

Any parent may request a conference by contacting the teacher concerned. A minimum of twenty-four hours notice is required when requesting a conference. The secretary is unable to set up a conference time for the teacher since she is unaware of the teacher's personal schedule. If a parent has a complaint with any teacher, please discuss the matter with the teacher before asking the administration to arbitrate.

Conferences with Administrators

Appointments with an administrator may be made by calling the school office (410) 647-2283 or by email.

Books & Devices

We ask all students to take care of their iPads, textbooks and workbooks. All hard cover books must be covered, kept clean and carried to and from school in some type of book bag. Students are expected to pay for all non-consumable textbooks which have been defaced or lost. Students are expected to pay for any damage to or loss of school devices.

Assembly Procedures

During any assembly or liturgical gathering, students should direct attention to the speaker or performer, applaud or participate when appropriate (no disrespectful sounds or behavior will be tolerated), and await the announcement of dismissal procedure at the conclusion of the assembly and exit in an orderly manner.

Changing Classes

Students in departmental situations are to change classes orderly and quickly. They are to enter by the front doors and exit by the back doors marked for each classroom.

Right to Amend the Handbook

Saint John the Evangelist School reserves the right to amend the Parent/Student Handbook and parent(s)/legal guardian(s) will be notified of any changes made. This Parent/Student Handbook is an informative booklet for parents and students setting forth the rules and policies of the school and is not intended as an expressed or implied contract.

Media Release

Image/Audio Reproduction: The student and the Parent(s)/Guardian(s) hereby consent to St. John the Evangelist and/or its agents' reproduction and publication of images and audio of the student on St. John the Evangelist's website, school publications, and other media now known or later developed in furtherance of the school's educational and other objectives. Such images and audio include photographs, video, digital media and other media now known or later developed. Parent(s)/Guardian(s) that do not wish to have their children included in such media may opt out by sending a letter to the school's main office to Lynne Fish's attention.

Archdiocese of Baltimore
Acceptable Use Policy for the Internet and Technology Tools

Technology skills are necessary to ready our students for their future. Access to the Internet and technology tools (including software tools, web-based applications and services, computer equipment, I-Pads, and other personal electronic devices) allow students to conduct research, produce digital content, and communicate with classmates and teachers. The Internet and technology tools put enormous power at the fingertips of users. As such, they also place a great deal of responsibility on users.

It is imperative that technology resources be used to build community, encourage critical reflection, and foster readiness for future learning. Developments in technology at the School are to be used ethically, legally, and responsibly. As in other areas, our students are expected to make good choices with regard to their behavior.

Individual users are responsible for their activity on the Internet and technology tools, including the material stored and information shared. In order to protect private and personal information, unauthorized disclosure, use, or dissemination of personal information is prohibited. The School reserves the right to edit Internet accounts for child-only configurations, and to run filtering software for students' protection.

The purpose of this policy is to ensure that student users (and their parents) recognize the limitations the School imposes on the use of the Internet and technology tools and that they understand the standards of behavior the School expects of users.

All users of the School network and technology tools, whether on a School-owned or personal device, are responsible for adhering to the following guidelines for acceptable use.

Acceptable uses of the Internet and technology tools are for authorized academic and school-related activities that support learning and teaching and:

- Respect the privacy and property rights of others and the well-being of the School
- Are consistent with Roman Catholic values and morals
- Treat technology tools and computer equipment with respect.

Unacceptable uses of the Internet and technology tools include but are not limited to:

- Violating the rights or privacy of others, including by photographing or filming an individual without consent
- Posting or distributing videos or photographs without consent of the persons depicted and the School
- Using technology to send profanity, obscenity, or other offensive or harmful language
- Unauthorized copying, downloading, or installation of content, software or applications (including plagiarism or "pirating" music)
- Sending false information or sending messages to the School community that fail to identify the sender (including anonymous messages or messages using a pseudonym)
- Using any program designed to disrupt network performance or breach network security, such as software designed to capture passwords or break encryption protocols
- Revealing personal information beyond what is required for login while using Internet or web-based resources
- Responding to inappropriate messages from others (which should be reported to the School)
- Downloading or copying information onto disks or hard drives without prior teacher approval
- Accessing, downloading, storing, or printing files or messages that are inappropriate or may be offensive to others (including pornography and other inappropriate images)
- Sharing of passwords or attempting to discover another's password (passwords should be changed frequently)
- Using or accessing another's account (network accounts are to be used only by those for whom the account has been established)
- Intentionally writing, producing, generating, copying or introducing dangerous codes or programs designed

to cause harm, including, but not limited to viruses, bugs, ‘worms’, etc.

- Intentionally damaging, altering, or tampering with any hardware, software, printers, keyboards, speakers, etc.
- Accessing or searching files, directories, or folders for which the user does not have authorization
- Intentionally erasing, renaming, or disabling of anyone else’s files or programs
- Accessing social media, email, or other off-task websites or apps during School without explicit permission of a teacher or adult supervisor
- Violating School conduct rules or the law.

Harassment/cyber-bullying of others online, whether against a student, non-student, or employee, is serious, is prohibited, and is contrary to the School’s policy and values. Harassment/cyber-bullying whether it is initiated on campus or off campus, online or in person, should be reported immediately to a faculty member, and may lead to disciplinary action and possible criminal prosecution under Maryland’s law prohibiting the Misuse of Interactive Computer Service (“Grace’s Law”).

Parents are responsible for:

- Reviewing and discussing this policy with their child as well as supporting the School in its enforcement
- Partnering with the School in monitoring their child’s technology use
- Modeling appropriate Internet behaviors for their child
- Reporting any concerns regarding this policy or their child’s use of the Internet or technology tools to School personnel.

Failure to adhere to the policy guidelines may result in a revocation of a student’s Internet access and other technology privileges and disciplinary action up to and including suspension or expulsion.

Web-based Services

The School uses the **Microsoft Office Suite** as well as other web-based education tools, sites, and services (“web-based services”) to provide students with important web-based educational experiences and enhanced opportunities to communicate and share collaboratively with one another. As part of students’ use of web-based services, certain educational records may be created, collected, or stored. Directory information, such as a child’s name, email address, grade/age, and enrollment status, may also be shared with web-based services. The School may access, monitor, and review children’s use of web-based services and Internet use and children shall not have any expectation of privacy with respect to any communications or activities through such services. Use of web-based services is for educational purposes only and subject to the conduct and acceptable use guidelines set forth in this Handbook. A list of the School’s web-based services and corresponding privacy policies are available upon request. By enrolling a child in the School, the parent consents to the child’s participation in the School’s academic activities and programs, including the child’s use of and access to web-based services as described in this paragraph. In order to withhold or withdraw consent for the use of web-based services, parents must contact the School principal in writing.

In addition to the Acceptable Use Policy and Ethical Use Policy, we are including this addendum to the policy for school-owned iPads/devices. Using school iPads encourages greater collaboration, problem solving and creative thinking. This will result in more engaged students and thus increased achievement.

ARCHDIOCESE OF BALTIMORE

THE DEPARTMENT OF CATHOLIC SCHOOLS

320 CATHEDRAL STREET, BALTIMORE, MD 21201

BULLYING, HARASSMENT OR INTIMIDATION REPORTING

Bullying, harassment, or intimidation (as defined below) of any student is prohibited in all Archdiocese of Baltimore Schools. Retaliation or reprisal against anyone who reports such behaviors or participates in an investigation of a report is also prohibited. Such behaviors are contrary to school life in a Christ-centered community, which respects the dignity and uniqueness of all of God's children. To foster a school environment where all students are educated in a safe and caring atmosphere, all Archdiocesan schools will follow established procedures for bullying prevention, intervention, and response.

Harassment of students on the basis of race, color, sex, national origin, religion, disability or handicap, gender identity or expression, and sexual orientation are also addressed under the Archdiocesan Student Harassment Policy in the Code of Conduct. Suspected abuse or neglect of students is addressed under the Policy for the Protection of Children and Youth.

“Bullying, harassment, or intimidation” means intentional conduct, including written, verbal, or physical conduct or an intentional electronic communication, that:

- a. Creates a hostile educational environment by substantially interfering with a student’s educational benefits, opportunities, or performance or with a student’s physical or psychological well-being and:
 - i. Is motivated by an actual or a perceived personal characteristic including race, national origin, marital status, sex, sexual orientation, gender identity, religion, ancestry, physical attributes, socioeconomic status, familial status, or physical or mental ability or disability; or
 - ii. Is sexual in nature; or
 - iii. Is threatening or seriously intimidating; and
- b. Occurs on school property, at a school activity or event, or on a school bus, or substantially disrupts the orderly operation of the school.

Electronic technology means a communication transmitted by means of an electronic device, including a telephone, cellular phone, computer, pager, etc.

Retaliation means an act of reprisal or revenge, i.e., getting back at a person for an act he/she committed (such as reporting misconduct).

The principal or designee will notify the parent/guardian of the alleged victim of a report of bullying, harassment, or intimidation within three (3) business days after the incident is reported. The principal or designee will notify the parent/guardian of the alleged perpetrator of a report of bullying, harassment, or intimidation within five (5) business days after the incident is reported.

Reporting forms are located in the main office and on the school’s website.

Non-Discrimination Statement & Harassment Policy

Non-Discrimination Statement

It is the policy of the State of Maryland that all public and publicly funded schools and school programs operate in compliance with:

- (1) Title VI of the Federal Civil Rights Act of 1964; and
- (2) Title 26, Subtitle 7 of the Education Article of the Maryland Code, which states that public and publicly funded schools and programs may not:
 - (i) Discriminate against a current student, a prospective student, or the parent or guardian of a current or prospective student on the basis of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability;
 - (ii) Refuse enrollment of a prospective student, expel a current student, or withhold privileges from a current student, a prospective student, or the parent or guardian of a current or prospective student because of an individual's race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; or
 - (iii) Discipline, invoke a penalty against, or take any other retaliatory action against a student or parent or guardian of a student who files a complaint alleging that the program or school discriminated against the student, regardless of the outcome of the complaint."

The State of Maryland does not require a nonpublic school that is religiously affiliated to enroll, retain, or extend privileges to a student or prospective student who does not meet the usual and regular qualifications, requirements, and standards of the program or school or to adopt any rule, regulation, or policy that conflicts with the program or school's religious or moral teachings provided that the denial, rule, regulation, or policy is not based on discrimination on the grounds of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability.

Requests for reasonable accommodations for a student with a disability may be directed to the principal or assistant principal.

Harassment Policy

It is the policy of the Archdiocese to prohibit harassment on the basis of race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, sexual orientation, or protected activity (i.e., opposition to prohibited discrimination or participation in the complaint process) in its education programs and activities. Each Catholic school shall adhere to this policy with respect to students. (Employees are similarly protected from harassment by a separate Archdiocesan policy.) A school is not required to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings.

Scope

This policy applies to all students in Archdiocesan elementary, middle and secondary schools. The Archdiocese neither condones nor tolerates harassment of students at school, at school-related activities or functions, or in any school-related setting. Harassment of students, whether engaged in by other students, teachers, administrators, or others, is prohibited. Violation of this Policy is grounds for disciplinary action up to and including termination of employment or suspension or expulsion from school, depending on the nature and severity of the offense and the individual's disciplinary record.

Prohibited Conduct

- A. For purposes of this Policy, "harassment" means verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, sex, national origin, religion, age, disability or handicap, gender identity or expression, sexual orientation, or protected activity, that:
 - (i) Has the purpose or effect of creating an intimidating, hostile or offensive environment;
 - (ii) Has the purpose or effect of unreasonably interfering with an individual's academic performance;
 or

(iii) Otherwise adversely affects an individual's educational opportunities.

- B. Harassing conduct includes, but is not limited to, epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that relate to race, color, sex, national origin, religion, age, handicap or disability, gender identity or expression, or sexual orientation. "Sexual" harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for educational decisions or has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile or offensive environment.

Procedure

- A. Any person who believes that a student is being subjected to harassment should immediately report the harassment to any one or more of the following individuals: the student's teacher, the principal of the school, the Superintendent of Catholic Schools. A bullying/harassment form should be filled out.
